- Media trainings
- Information sharing

When: February 11, 2015 from 5 - 7 p.m.

Where: Somerset West Community Health Centre

What does it mean to be an ally to sex workers? It means you centre the experiences of sex workers in your activism. You should have basic knowledge of the movement and support a framework that view sex work as a form of labour. Please do not attend if you are a student writing a research paper, or a journalist looking to write about POWER's activities. Please do not expect that we will spend a significant amount of time educating you on issues related to sex work. Read some of the material on our website here: www.powertottawa.ca if you would like to learn more.
